

## **MEDIA STATEMENT**

31 October 2022

**KUALA LUMPUR, 31 October** – KPJ Healthcare Berhad (“KPJ Healthcare” or the “Company”) would like to publicly apologise to all Malaysians, particularly to the Indian community, with regards to a video that has gone viral at one of our premises.

As a healthcare service provider, KPJ Healthcare celebrates and upholds diversity and inclusion of the varied cultures in Malaysia.

KPJ Healthcare does not condone such acts and in no way does it reflect our culture, values or our practices.

We are disheartened by the irresponsible act of these individuals and they have been suspended pending further investigation. Further to this we have lodged a police report on the matter and will continue to work closely with the relevant authorities on this matter.

Any further updates related to this matter will be communicated through our website ([www.kpjhealthcare.com.my](http://www.kpjhealthcare.com.my)).
